The area is designed with the US West Coast in mind, with some lush greenery here and there. Have fun shopping!

<http://www.premiumoutlets.co.jp/en/> )

Participants will receive a meal coupon usable at restaurants in the outlet mall. Enjoy shopping at stores and savoring tasty meals!

Reminders for the Meal Coupon:

Use the coupon to enjoy 1 free dish at any designated store.

Please understand that there is no vegetarian option available.

### **Fruit Picking, All-You-Can-Eat (40 min)**

Japanese pears are famous for their sweet taste and crisp texture, and are very juicy. Enjoy 30 minutes of all-you-can-eat pears.

Plus! Try tasting chestnuts, a special offer this season.

Reminders for Fruit-picking:

\*Large bags may not be brought into the fruit picking area.

\*All-you-can-eat applies only to the fruit picking location. Fruit cannot be taken home with you so please consume it during the allotted time.

\*If fruits are not ripe for picking due to weather conditions, the tour may be cancelled, or participants may be given a souvenir instead. Depending on the

weather, the group may only have the all-you-can-eat fruits activity instead.

### **Hitachi Seaside Park (80 min)**

Hitachi Seaside Park is a vast national park of 190 hectares, famous for its beautiful flowers. See an amazing scenery of colorful cosmos flowers, and a whimsical landscape full of kochias (seeds of which are also called "field caviar" because of their texture) which can only be seen at this time.

\*Please note that the tour will still be conducted even if kochias are not at their best viewing time. In that case, refunds will not be issued.

If the kochias are not at their best viewing time, the group will visit other flower fields such as cosmos.
